

Dear Emerald Class Families,

There is no spelling or maths homework this week. Instead we would like each child to decorate the white box that they are bringing home tonight. This is to put Mr Grinling's new healthy packed lunch in, which the children have designed and are making on Wednesday! The boxes can be decorated with colouring pencils, felt tips, the pictures in the pack or anything else the children would like to use. This is a short activity and should not take more than 15 minutes. Please return the box to school on Wednesday (18th Dec) ensuring it is named. (This activity is in place of a Home Learning task for this project as the children have all worked hard at home over the last few weeks learning their parts for the nativity - thank you!)

Thank you in advance for your support.

Kind regards

Mrs Smith
