Dear Parents/Carers,

I do hope this finds you all well, and having had a good start to the last half term of this academic year.

Further to my letter of the 17th of April, I am delighted to be able to provide further information regarding the leadership of St Mark's School. From September 2024, the Executive Headteacher of St Mark's will be Clare Wright, currently Headteacher of Frimley CofE Junior School, part of The Prospect Trust. Mrs Wright will be Executive Headteacher of both schools, with additional leadership support being provided by Rachel Jones and Sally Williams, both currently Deputy Headteachers at Frimley.

This is a very exciting development for both the St Mark's and Frimley communities, and the staff and governors are looking forward to the benefits that this partnership will bring to both schools.

Mrs Wright writes, "Myself and my colleagues at Frimley are very excited that we will be working alongside the staff, children, families and governors at St Mark's next year. We see this as a fantastic opportunity to share and develop the good practice that is already happening in both schools and look forward to getting to know many of you over the next year."

The leadership team for September will be in school frequently between now and the end of term, and you are invited to come and meet Mrs Wright and her team at a coffee morning at St Mark's on Monday 24th June between 8.50am and 9.30am.

The governors are delighted with these proposals, which we believe will help to ensure that the St Mark's community continues to build on its many strengths as we move into an exciting new chapter.

Best wishes,

Michael Hartley  
Chair of Governors
