

Dear Parents/Carers,

As you know, here at St Mark's we are passionate about reading and helping our children to become fluent readers who love to read.

To help support children at both school and home, we have developed a new resource that we are excited to share with you.

Below is a link to a video which shows you the new resource and explains how they are used. Teachers will be rolling them out over the next 2 weeks, so look out for them in your child's reading record!

Reading Support for Home

As always, thank you for your continued support and if you have any questions, please do not hesitate to contact me.

Kind regards,

Mrs Hagan
