

Dear Parents/Carers,

We have been working closely with South Farnborough Infant School and SCL Active Care to set up new wrap around care for St Mark's Children. We are pleased to be able to announce that SCL have now completed all their checks and spaces for St Mark's families will be made available to book now, ready for after half term. When you reach the bookings page for South Farnborough Infant School, you may notice that the bookings are restricted to Years R-2, this is being updated, it will however be possible to book any St Mark's child from Year R-Year 6 for wrap around care.

To book a session please use this link, <https://wearescl.bookinglive.com/> and search for South Farnborough Infants to book on.

Please see the attached posters for timings and pricing.

Kind regards

The School Office
