

Class Names

Thank you so much for all your class name ideas - we had a fantastic number of suggestions. As a staff we read through all of your ideas and narrowed the choice down to two themes: Aviation History and Precious Gems.

To ensure the children had a voice in the decision, the children have voted for their favourite theme.

I am delighted to announce our new class names are based on the theme of **precious gems**. These symbolise that we are all special and different, and made in the image of God.
