

# Name our classes!

Families of St Mark's - we need your help!

We have decided that we should name our classes, rather than be known by our mixed year groups.

We are looking for your ideas. Here's some guidance:

- Names should be based around a theme
- Names should be timeless
- You might like to think about a link to our school or local community
- Names should be understandable and meaningful to primary school aged children

If you would like your idea to be considered, please return this form to Miss Ellis by Wednesday 13 December 2023.
