

Dear Parents/Carers,

I hope this letter finds you well. I am writing to request your permission for your child to participate in the viewing of a PG-rated film as part of our RE curriculum at St Mark's.

The film, Moana, is rated PG for mild threat in which characters face danger from natural events and fantastical creatures. The emphasis is on the excitement of the adventures, as well as the bravery and resourcefulness of the heroes. Any threat is also reduced by the comic elements in the story. There is also some very mild bad language.

We will be watching the film as part of our current RE topic 'What Makes Something Special?', as suggested by Guildford Diocese. Afterwards, we will be discussing why the rock is special to Moana and the lengths she goes to in order to protect it.

The children will be supervised while watching the film and it will be shown in accordance with school guidelines. We plan to watch this film on Friday 1st March 2024.

If you are happy for your child to watch Moana, please login to your Scopay account and indicate your consent.

If you have any questions or concerns, please do not hesitate to speak to me.

Kind regards,

Miss Jackson
