19th November 2025

Dear Parents and Carers,

Y5 Astronomy Evening – Wednesday 28th January 2026

I am very pleased to inform you that Salesian College Farnborough has invited our Year 5 pupils (and their parent/carer) to attend their Astronomy Evening on Wednesday 28th January 2026. This is a wonderful opportunity for the children to learn more about space, physics and the night sky through a series of hands-on activities.

The event will take place from 5.15 pm to 7.15 pm, with arrival from 5.00 pm. During the evening, families will rotate through several activities, including:

- A show in the Explorer Dome mobile planetarium
- Telescope stargazing on the playground
- A short mini Physics lesson for the Year 5 pupils
- A make-and-take activity for parents
- Hot chocolates for all participants

Each pupil must be accompanied by a parent or carer throughout. Some activities will take place outdoors, so we recommend wearing warm clothing.

We will be managing the bookings for our school. If you would like to attend, please complete the booking form on Scopay. **The deadline for this is Monday 1st December.** We will then pass the required details on to Salesian College. Once places are confirmed, we will share further information regarding arrival, parking and timings.

If you have any questions, please feel free to contact me.

With best wishes,

Miss Jackson
