The admissions process is administered by the school in accordance with these Admission Arrangements, in accordance with and pursuant to the Admission Policy of the Weydon Multi Academy Trust. St. Mark's CE Primary School is a welcoming community where children develop a lifelong love of learning and sense of belonging, within a nurturing and inclusive Christian environment. All children have the opportunity to become free thinking, responsible citizens, whilst understanding and appreciating the wonder of our world. They leave St Mark's with the confidence to live fulfilling lives, and respond with flexibility to an ever changing world.

St Mark's CE Primary School was established and now exists to provide education first and foremost to the Christian children belonging to the Parish of St Mark's although applications are also welcomed from those of other faiths or no faith and will be considered according to the conditions stated in these arrangements. We ask all parents applying for a place here for their full and positive support for the ethos of our school and the importance of this to our school community. The school's Christian values of Challenge, Integrity, Respect, Community, Love and Equality (CIRCLE) are central to the life of this school.

The CIRCLE values are displayed in prominent positions throughout the school and crucially in classrooms where they are integral to each lesson. They are known, understood and lived out by all the school community. Learners understand how these values impact on their lives and on their learning. A group of learners described the values as 'a set of rules to live by which help us to be the best people we can be.' Curriculum planning is designed to develop both the school's Christian values and spirituality which enables learners to thrive. Learners' behaviour is excellent. (Nov 2016)

The Published Admission Number (PAN) for St Mark's CE (Aided) Primary School is 15.

As a Voluntary Aided school admissions are determined by the governors in accordance with the policy set out below. The governors will consider first all applications received by the Local Authority's published deadline; midnight on 15th January 2025. Applications submitted after this date will be considered after all on-time applications have been processed.

Children start school in September following their 4th birthday. However, parents may defer entry to the beginning of the term after their child's 5th birthday, but not beyond the beginning of the summer term in the academic year for which the application is made. A child may also attend part-time until statutory school age is reached.

For children born between 1st April 2021 and 31st August 2021, parents may decide to delay admission to school until the term after their child turns 5 i.e. when statutory school age is reached. In this case, a child would normally start school the following year in Year 1, missing out on Reception. However, a parent may request that their child is admitted to Reception instead, meaning that the child would be educated outside their correct year group. In this instance parents should discuss their wishes with the Headteacher, stating clearly why they feel admission to a different year group would be appropriate, including any supporting documentary evidence if they wish. Governors will then make a decision as to which year group (YR or Y1) the child should enter in the following year, based on the particular circumstances of each case and in the best interests of the child. The Headteacher's views will be taken into account and reasons for the decision

shared in writing with parents. However, please note that the school cannot 'reserve' a place either in Reception or Year 1 for the following year, when a fresh application must be made. For further information and on other out of correct year group requests, please see www.hants.gov.uk/admissions

Appropriate documentary evidence from a Consultant Doctor or from the relevant support services **must be submitted at the time of application**, making clear why attendance at this school is essential. **NB.** All schools support children with the more common medical conditions such as asthma, nut allergies and stress-related symptoms and do not treat these as exceptional circumstances

In order to be considered under this criterion, evidence must be submitted at the time of application by completing the Supplementary Information Form. Families who have recently moved into the Parish must provide evidence of the same pattern of attendance from their previous church. In order for a Supplementary

Information form to be considered for such families, the new address must be within our Parish Boundaries as specified in criterion 6.

In the event that during the period specified for attendance at worship, the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance, will only apply to the period when the church or alternative premises have been available for public worship.

The PAN will remain unchanged so that no other pupil will be admitted until a place becomes available within the PAN.

Waiting lists

All parents who are refused a place at the school at any time may request that their child's name is placed on the waiting list. This may only be done in writing. In Hampshire's co-ordinated scheme for the main admissions round (Year R) your child's name will automatically be included on the waiting list of any school named on the application that was a higher preference than the school where your child was allocated a place.

Pupils will be placed on the Waiting List in strict order according to the oversubscription criteria on the Admissions Policy. If a place becomes available at the school, places will be allocated according to these criteria, not on a first-come, first-served basis. The list is held for one academic year only.

Appeals

Parents not offered a place for their child and wishing to appeal to an Independent Appeal Panel should contact the school office for details.

The governors reserve the right to withdraw the offer of a place if parents are found to have submitted misleading or inaccurate information.

This policy was ratified by the full Governing Body in Spring 2024.

It is due for review in the Autumn Term 2024 for 2026/27 policy
