

Dear Parents and Carers,

It looks like summer has arrived. The forecast for the rest of this week and next is generally hot and sunny. If your child would feel more comfortable, they may wear their PE Kit to school. For those children continuing to wear school uniform we would suggest leaving jumpers and cardigans at home.

We will continue to monitor the weather and will send an update on uniform requirements during the week ending 27<sup>th</sup> June.

For the Year 6 children we are going to Wintershall tomorrow and to Guildford Cathedral on Wednesday for their leavers service; Wintershall the children must wear school uniform - Shirts and ties or blue gingham dresses, PE or school shorts or tracksuit bottoms/ leggings maybe worn as the children will be sitting on rugs on the ground to watch the performance. For the leavers service smart school uniform must be worn, including jumpers and ties.

Please ensure all children have a water bottle available in school, this can be refilled as required, as well as a hat to wear at playtimes. Please also apply sun cream to your child before coming to school.

Kind regards

The School Office
