

Dear Parents and Carers,

We are very lucky have a group of supportive volunteers who help out in school, some on a regular basis; listening to readers, gardening or helping with T-set, and some ad hoc - helping at school discos, accompanying on trips both local and further afield.

If you are able to spare any time to help with any of the above activities the school require a Disclosure and Baring Service (DBS) check to be in place. This is a relatively simple and quick check and is free for all volunteers.

We would love to be able to add to our group of volunteers, if you would like to discuss this further or are happy to start the process of a DBS check please speak to Mrs Watson in the school office and she can provide more information.

With kind regards

The School Office
