

Dear Parent/Carer,

We have organised a collection with Bag2School for **Friday 28th February**.

This is a great way of re-using your old/outgrown clothes and raising some money for the school. If you are doing any sorting out as the weather changes, items that can be included are:

- Clothing (no emblmed uniforms or workwear, old school trousers/skirts/shirts are fine)
- Paired footwear (tied together or elastic band around)
- Handbags/bags
- Belts
- Accessories (jewellery, scarves, ties, belts)
- Bedding (bed sheets, pillow cases, duvet covers)
- No pillows/duvets/cushions or pieces of fabric.
- Household linen, curtains and towels

Items need to be 'good quality' and suitable for re-use.

Bags need to be bought along at **morning drop off**, and given to the collector at the gate. Please use any bin bag tied together at the top, and do not bring bags at any other time as unfortunately they cannot be stored.

Many thanks,

Your PTA
