

Dear Parents/Carers,

Please note that the price of school meals will increase from today (Monday 2nd September) by 20p to £3.20 for all pupils and young people across Hampshire who purchase school meals.

Please be assured that the County Council's Education Catering service is committed to providing high-quality, delicious meals that support the learning of Hampshire's young people, including those from low-income households who rely on our hot meals.

If you have any queries please contact the School Office.

With kind regards

The School Office
