Executive Headteacher: Mrs Clare Wright

8<sup>th</sup> January 2025

Dear Year 6 Parents/Carers,

I trust this letter finds you well. As part of our ongoing commitment to preparing students for their upcoming SATs examinations, we have implemented a structured weekly homework plan to reinforce key concepts and enhance their readiness for the tests.

Starting from Wednesday 15<sup>th</sup> January students in Year 6 will be expected to complete 1 page of each revision booklet provided weekly. This initiative is designed to provide them with additional practice and consolidation of the skills and knowledge required for success in their SATs.

This will be distributed every Wednesday and is expected to be completed by the following Wednesday. We believe that consistent practice is essential for mastery, and these weekly tasks aim to ensure that students have ample opportunities to reinforce their understanding of the material. These tasks are in addition to the already existing homework not replacing it.

We encourage both students and parents to view this homework as a collaborative effort, with the school providing support and resources to assist students in their preparation. To facilitate any questions or concerns that may arise during the completion of the assignments, our teaching staff will be available for clarification during designated office hours.

We appreciate your support in reinforcing the importance of completing these assignments promptly and with the dedication required for optimal results. Should you have any questions or require additional information, please do not hesitate to reach out to us.

Thank you for your cooperation in this matter. We are confident that this weekly SATs homework plan will contribute significantly to the academic growth and success of our students.

Yours sincerely,

Mrs Bhela  
Year 5/6 Class Teacher
