

Dear Parents and Carers,

As a member of the Ogden Trust, Salesian College are inviting our Year 5 students to attend an Astronomy Night on Wednesday 5th February 2025, from 5.15pm - 7.15pm. The event will include the opportunity to explore the night sky via telescopes in their playground, craft activities, an indoor planetarium and a warming hot chocolate and cookie.

As the number of places are limited, they will be allocated on a first come, first served basis. Please reply to this email if your child would like to attend the Astronomy Night. If they are allocated a place, you will then receive a link to book for this event with Salesian College. Once booked, you will receive more details about the evening from Salesian College nearer the time.

Parents will need to take their children to Salesian College for 5.15pm and collect them at the end at 7.15pm. The children will be accompanied during the event by staff from St Mark's.

Kind regards,

Miss Jackson
