

Dear Parents/Carers,

We are excited to announce that we will be hosting a Space Day at school on 25th September! As part of this special event, we have arranged for a mobile planetarium to visit, giving the children an incredible opportunity to explore the wonders of our solar system and beyond. This will take place at The Methodist Church on Queens Road.

To help cover the costs of this exciting experience, the voluntary contribution for this trip is £15.00, which you can pay online via your Scopay account. However, if the activity cannot be funded by voluntary contributions then it may have to be cancelled. We ask for your voluntary contribution by Friday 20th September. Please also fill in the consent form on Scopay.

In addition, we are asking for donations of empty 2-litre plastic bottles that are cleaned and have their labels removed. These will be used for a fun and educational activity during Space Day.

Please provide the contribution and any bottle donations by 20th September. Should you have any concerns or need further information, feel free to contact us.

Thank you for your support. We look forward to an unforgettable day of space exploration!

Kind regards,

Mrs Bhela
