30<sup>th</sup> January 2026

Dear Parents/Carers,

In the week beginning 9<sup>th</sup> February we will be focusing on keeping ourselves safe. The week will have the following themes/activities:

**Monday 9<sup>th</sup> February: Safeguarding Worship**- how do we keep ourselves safe with a focus on trusted adults.

**Tuesday 10<sup>th</sup> February: Safer Internet Day**- the Digital Leaders will lead a worship about being digital citizens and the SMART rules ([Get SMART | Childnet](#)). The Digital Leaders will be launching a competition to design a poster of the SMART rules (poster entries due in by Friday 27<sup>th</sup> February). The winner's poster will be used around school and on the school website. All classes will be doing activities about being safe online.

Sapphire and Diamond class will be doing a BBC live lesson about AI where they will learn about and design a safe and reliable Chabot. Please see an attached sheet for parents and educators about Generative AI.

**Wednesday 11<sup>th</sup> (and Thurs 12<sup>th</sup>) February: Children's Mental Health Week.**

Children will take part in a worship and art activities around the theme of 'This is My Place'. The Place2Be website has lots of information about Mental Health Week and ideas and resources for families around this: [Place2Be's Children's Mental Health Week - Official site](#)

**Friday 13<sup>th</sup> February- Be Bright, Be Seen day**

Children can come to school in bright clothing to promote Road Safety. The Junior Road Safety Officers (children in Diamond class) will lead a worship about this on 2<sup>nd</sup> February. The children will be doing road safety activities in school on Friday 13<sup>th</sup> February. Please also see attached a National College poster about keeping your child safe on the roads.

Many thanks for your continued support in helping to keep our children safe.  
Best regards,

*Rachel Jones*
